

# Defending Historic Buildings

## **MISSION**

*To sustain, defend and promote historic buildings and places of every type and age for the benefit of all.*

- We offer advice and expertise
- We promote historic places and celebrate them
- We share our knowledge to influence and enlighten
- We involve others in our work to deliver our aims
- We place sustainability at the heart of all our activities

## **VALUES**

- We take pride in our constructive approach to advice and to problem-solving
- We share our knowledge and principles with the public
- We acknowledge diverse views and seek to engage with them
- We fulfil our duties as one of the government's statutory advisers
- We comply with Charity Commission guidance on good governance

## **VISION**

*We will work for the benefit of communities to secure a sustainable future for historic places and built environments, celebrating heritage in all its richness and diversity.*
